PROFESSIONAL SUMMARY

I'm Eric Eremita Jr dedicated Computer Animator, graduating in May 2025. I have developed skills in animation, illustration, character design, and following a formal production pipeline through both academic and personal projects. Passionate about storytelling, developing characters through expressive acting and movement to convey compelling performances. Has experience using digital software to produce high-quality animation for feature films and comparable projects.

EXPERIENCE

Animator 2023 - 2025

FullSail University, Orlando, FL

- Work on projects with set deadlines over the course of a month.
- Use Maya to animate scenes, build sets and sync audio.
- Use Adobe Photoshop to composite scenes, mask, and color grade.
- Create storyboards to plan out shots in a scene
- Created 10+ shots fully animated along side a director
- Shadowed Animators to gain skills and learn how to improve

Art Camp Counselor 2022-2023

Our Lady Star of the Sea Summer Camp
(Staten Island, NY)

- Worked as a camp counselor in the art department for kids ages 3-12
- Taught kids how to draw simple characters
- Illustrated Cartoons upon request
